AIR RACE AND AIR SHOW SAFETY

It was announced from Washington on 2nd December that the National Transportation Safety Board (NTSB) is to hold a hearing on air race and air show safety.

This hearing will be chaired by NTSB Chairman Deborah A.P. Hersman, and all five Board members will participate.

During the one-day meeting, the Board will gather information on the safety regulations and oversight in the planning and execution of these events. Regulators, aviation organizations, industry groups, and airport authorities will be questioned by the Board about safety practices, procedures, and protocols.

This event with the title Air Race and Air Show Safety Hearing will be held on 10th January 2012 at 0930 (EST) in the NTSB Board Room and Conference Center, 429 L'Enfant Plaza SW, Washington, DC.
