Waypoints beyond the Strategy Implementation Plan

Voyage plan  Copenhagen - Oslo - Copenhagen  28 - 30 January 2014

For the fourth time the international e-Navigation community will gather in a maritime environment to discuss the current state of the e-navigation process. Day one will focus on strategic issues, day two will explore more detailed aspects of e-Navigation and the third day will be dedicated to an open discussion to achieve full consultation on conclusions and recommendations.
