13th INTERNATIONAL SYMPOSIUM
ON VESSEL TRAFFIC SERVICES

8 – 12 August 2016 Kuala Lumpur, Malaysia

Sustainable Safe Navigation

This event with the theme Sustainable Safe Navigation will be held at the Kuala Lumpur Convention Centre, Kuala Lumpur, Malaysia from 8 – 12 August 2016 and attended by those involved in the provision, operation, maintenance or use of Vessel Traffic Services.

A call for papers
The Symposium organisers invite contributions by experienced VTS operators, users, planners and trainers from all parts of the world and to be considered by the Paper Selection Committee.

A brief list of topics will be found below with more details on the accompanying pdf.

Abstracts of no more than 200 words (in English) should be sent to: secgen@iala-aism.org

or to the address below no later than 30 March 2015.
